FELLOW APPLICATION

AMERICAN SOCIETY OF SHOULDER AND ELBOW THERAPISTS
VISION STATEMENT

We are a group of multidisciplinary professionals in the area of shoulder and elbow rehabilitation who place a high value on efficacious exemplary patient care. We support critical assessment of information within the area of our interest and encourage professional growth through mentorship, fellowship, and education. We foster this through innovative progressive basic science and clinical research. We are committed to the ideals of open-mindedness and sharing of knowledge to promote excellence in patient care by all.

AMERICAN SOCIETY OF SHOULDER AND ELBOW THERAPISTS

MISSION STATEMENT

We are a leading source of knowledge regarding exemplary clinical care and outcomes oriented research in shoulder and elbow rehabilitation. We aim to assist the membership through the dissemination of our education and research knowledge. Our membership criteria reflect the expectation of the highest quality research, scholarship and patient care.
